# Competition Information

---

**Once you receive the preliminary performance schedule please review to be sure we have included all of your routines.**

Once you are sure all of your routines are included, check that you have at least thirty minutes between your team performances, so that your team has time to prepare. Ensembles and officers may only have twenty to twenty-five minutes to prepare for a team performance. We do not anticipate changing the schedule on the contest date unless extenuating circumstances, such as an injury, arise. We want to stay on time and consistent as we move through the day out of respect and consideration for all teams and spectators. Thank you for your cooperation in this matter!

- Be sure to check time limits on all of your routines. Solos, duo/trios, teams, officers, and ensembles may not exceed 3 minutes, and production routines may not exceed 6 minutes. Please remember to move on and off the floor quickly. Please note that entrances and exits are not judged.

| Friday, January 15th, 2027 |

- Dancers **may not** register for their performance; however, directors may check-in teams on Friday night. If directors register on Friday night, your team will not have to register on Saturday.
- High school solos and duets will be held in the main auditorium just off the commons area. Dimensions are 56 feet wide, and 47 feet deep.
- All MS solos and duets will be held in a gymnasium.
- Team will not be provided with a dressing room on Friday night. Restrooms, flex theater and locker rooms will be available for hair, make-up and costume changes.
- Team members in team identifying clothing or warm ups will not be charged for admission.
- Solos and duets will be scheduled in four minute intervals; therefore, it is important that dancers are prepared at least 20 minutes prior to their scheduled performance time. We plan to stay on time, if not a little ahead of schedule.

| Saturday, January 16th, 2027 |

- Check-in will be held in the commons of Olathe South. The check-in table will be available for check-in by 7:30 a.m. We ask that all teams be registered by 10 a.m.
- Performances will begin at 9:30 am.
- Free admission will be limited to two directors, their team, and one team manager. If you have a bus driver, and they want to enter and watch, they must either have a pass, or pay the admission price.
- Your team will be assigned a dressing room for your convenience. Your dressing room must be left exactly the way you found it prior to the awards ceremony beginning. The Olathe South Parent Club will check all of the rooms to ensure that all of them have been cleaned properly. When you register you will be asked to sign a dressing room agreement which will outline the cleaning procedures.
- Olathe South will open at 7:30 a.m. on Saturday for teams wanting to work spacing on the performance floor. We will not have a specific practice schedule; therefore, we ask that you be considerate of all teams wanting to use the floor to prepare. Teams will be limited to 10 minutes on the gym floor.
- There will be concessions available both Friday and Saturday.
- Large props and sets may be stored in the 700 hallway of Olathe South. These may be loaded in on Friday evening, as well as on Saturday morning. Please make sure your props and sets are padded well as to not damage the floor. Any damage done to the floor will be the responsibility of the performing school.

| Please Note |

- Music must be submitted to google drive as an MP3 file one week before competition. The file should be labeled as follows: Team routine- Team Name (including JV/V, etc.) Routine Style (ex. Olathe South Varsity, Military) Solos/ Duos- Last Name(s) and School (ex. Smith, Olathe South Varsity Solo)
- All performance music must follow U.S. Copyright laws with proper licensing.
- A backup should be brought the day of competition as well.
- The Game Day category will follow the same structure as KSHSAA State, and should include three components: performance routine, fight song, and spirit raising performance.
